About the Artists

NICK KUCHAR grew up drawing & surfing in Florida. He now lives on Oahu, where he creates scrumptious nuggets of art to share with friends & complete strangers. Nick is inspired by the early days of surfing & beach culture, including its vintage color palette, typography & nostalgic images.

NOA EMBERSON was born on Maui and now lives and works out of his Honolulu-based studio as an artist and graphic designer. He is the Art Director for Surfing Magazine and runs a small creative studio called Onward Creative. Heavily inspired by nature and the mundane, much of his work portrays his fascination with mixed media.
